## PENTECOST – SUNDAY 9<sup>TH</sup> JUNE

Next Sunday is Pentecost when we celebrate the gift of the Holy Spirit. It is celebrated on the Sunday 50 days after Easter (the name comes from the Greek *pentekoste*, "fiftieth") and commemorates the descent of the Holy Spirit upon the Apostles and other followers of Jesus Christ while they were in Jerusalem celebrating the Feast of Weeks, as described in the Acts of the Apostles (Acts 2:1–31).

Pentecost is regarded as the birthday of the Christian church, and the start of the church's mission to the world.

## WORLD COMMUNICATIONS DAY - SUNDAY 2<sup>ND</sup> JUNE

The Catholic Church celebrates World Communications Day today (Sunday) when we are asked to pray for those who work in the media.

It's a digital world and since the launch of the internet, the Church has always sought to promote its use in the service of the encounter between persons, and of solidarity among all.

While governments seek legal ways to regulate the digital world and to protect the original vision of a free, open and secure network, we all have the possibility and the responsibility to promote its positive use.

Statistics show that among young people one in four is involved in episodes of cyberbullying. To stem this phenomenon, an International Observatory for Cyberbullying Prevention will be established, with its headquarters in the Vatican. Pope Francis invites us to reflect on our 'being-in-relation', and to rediscover, in the current communications context, the very human desire not to be left isolated or lonely. There is a retiring collection today. For more info, visit [www.catholicnews.org.uk](http://www.catholicnews.org.uk).
